**PETITION UNDER 37 C.F.R. § 1.181
TO WITHDRAW HOLDING OF ABANDONMENT**

Mail Stop Petition
Commissioner for Patents
P.O. Box 1450
Alexandria, VA 22313-1450

Dear Sir:

Applicants' Attorney of Record has received a Notice of Abandonment stating that corrected drawings in response to the Notice of Allowance mailed on September 2, 2005 were not received. Applicants respectfully submit that the Notice of Abandonment was issued in error due to the fact that the request for corrected drawings was in error. Applicants submitted formal drawings and a proposed drawing change on July 3, 2002. Said documents were received by the U.S. Patent and Trademark Office on July 10, 2002. A copy of the documents from the PAIR system are enclosed evidencing the receipt of the said documents on July 10, 2002. Applicants' attorney informed the Examiner of the error on November 30, 2005 via voicemail when Applicants' attorney was reviewing the file.

It is believed that this petition is timely filed under 37 C.F.R. §1.181(f), since Applicants are responding within two month of becoming aware that the case had become abandoned.

For the above-stated reasons, Applicants respectfully request that the Holding of Abandonment be withdrawn and the application be reinstated for issuance.

If a telephone conference would be helpful in resolving any issues concerning this communication, please contact Attorney for Applicant, David W. Lynch, at 423-757-0264.

Respectfully submitted,
